Winner of Best Care Group
 in Central England 2008

Family of resident

"We can't thank you enough for the care and kindness you have shown to my Father and to us. We think you are amazing people to do such a job and with such cheerfulness."

When people come to live or stay with us here at Hazelgrove we work hard to ensure that they feel at home.

Our nurses and carers respond sensitively to the individual needs of residents and continually strive for peace of mind, well-being and quality of life for all concerned.

Located at the heart of the Hucknall community, close to shops and other local services, Hazelgrove is purpose-built and set in easily accessible gardens. These include a sheltered patio much enjoyed on a sunny day. We also offer various outdoor activities to further tempt our residents outside into the fresh air and sunshine.

New to our family are three hens – recently introduced in response to an idea that came from a residents' meeting. There's nothing quite like the gentle cluckings of the hens as they potter around the lawn – a positive, therapeutic effect well documented in dementia studies. Our little flock also prompts valuable reminiscing, amusement and purposeful pleasure for those who choose to join the egg-collection rota.

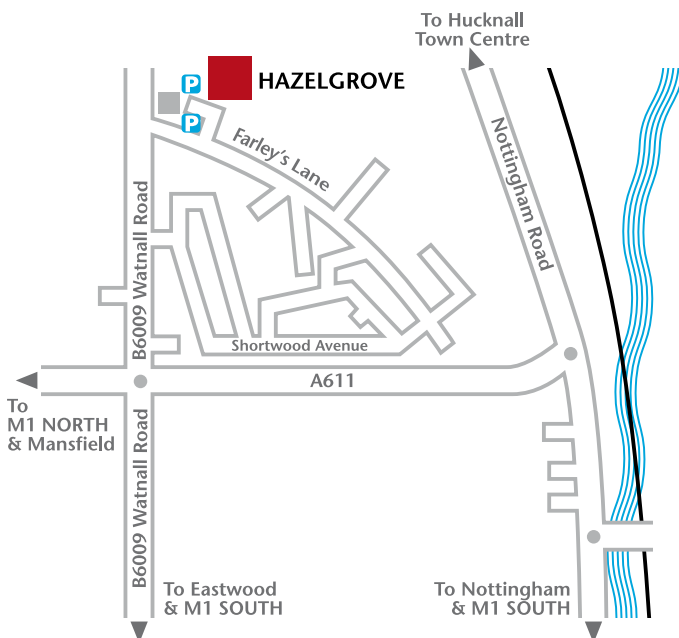

Other activities range from garden centre visits and riverboat trips to keep fit sessions, carpet bowls and singsongs in the lounge. Religious services are held in the dining room, and we are always delighted to host concerts by local schoolchildren for those who would like to take part.

Our home-cooked meals cater for all dietary and cultural needs, and snacks and hot and cold drinks are available 24 hours a day. And, just as you would expect at home, family and friends are welcome to join their relative for meals.

Please contact us for more information, or call in and see us.

Manager,
 Muriel Bell

Facilities at a glance

Reminiscence lounge	Minibus for outings
Beautifully landscaped gardens	Visiting Hairdresser
Home cooked meals by in-house chef	Visiting Podiatrist
Visiting Physio & Occupational Therapist	Visiting GP

Some recent testimonials received at Hazelgrove:

"Thank you to all staff at Hazelgrove. You were all so compassionate and so caring to our father. We appreciate that very much. Love to each and every one of you.

(Family of resident, March 2011)

"Words cannot express how much we all appreciated the way you all walked alongside us. All your kindness, compassion and care made one of the most difficult journeys we all have to take so much easier to bear."

(Family of resident, February 2011)

"Everybody there were so attentive and caring, not only for Mum but to the family as well."

(Family of resident, April 2010)

"I would like to express my thanks to you all, for the kindness you all showed to my Father. During his short stay with you he always praised you all for looking after him. Special thanks to the cooks."

(Family of resident, April 2011)

"We want to express our sincere appreciation to everyone for the excellent care and attention given to our Mum. It has been a great comfort to us that her time with you was so positive and she felt safe and secure. Alzheimer's is a very difficult disease for the family to cope with, seeing the decline in a person you love so much, but we felt nurtured by you, like our loved one did."

(Family of resident, July 2011)

As far as we are concerned your carers deserve a medal. This work can be exhausting. You need lots of energy, patience, understanding and compassion. Thank you for your devotion in your work – you truly are special people 'Angels from Heaven'. Your dedication has helped keep our faith in human nature in these difficult times."

(Family of resident, July 2011)
