With state-of-the-art facilities, spacious bedrooms and beautiful communal areas Ashbourne Lodge offers excellent care in exceptional surroundings.

Opened in August 2014, we drew upon our thirty years of experience in caring for older people when designing the refurbishment of the Home, which was previously used as a Hotel. An elegant reception gives way to a cosy snug, complete with library area, for residents who wish to relax with a good book or newspaper. Our resident's bar and café provide a wonderful space for family and friends to enjoy a freshly brewed coffee with their loved one, whilst our 'reminiscence lounge' is designed for quiet moments and reminiscing on days gone by.

For movie lovers, our Cinema Room, complete with pop-corn and sweet carts, has regular screenings so you can catch up with your heroes and heroines from the silver screen. Alternatively our sunny and spacious blue lounge, with beautiful windows overlooking our landscaped sensory gardens, provides a larger communal area for group activities or catching up with friends.

Ashbourne Lodge also has a variety of spacious, en-suite rooms for you to choose from. With Standard, Superior and Luxury rooms available there are beautiful bedrooms to suit all tastes.

However, what makes Ashbourne Lodge really special is the Care we provide. When you choose a Milford Care Home you can be assured of exceptional care, tailored to your needs, and delivered by trained and award winning staff.
